Highly skilled and creative Video Editor and Motion Graphics Artist specializing in time sensitive video marketing. Proficient in all aspects of video post-production.

EXPERIENCE

Video Editor & Motion Graphics Artist 05/2012 -10/2017

Sony Playstation (SCEA), Foster City, CA

- Handled multiple projects simultaneously, meeting constant client deadlines through all stages of asset production
- Mentored the BNL team on how to localize trailers for non-English-speaking territories
- Launched and executed a project to create staff training videos for the BANd team

Video Editor & Motion Graphics Artist 08/2014

Talk Is Cheap, San Francisco, CA

- Conceptualized and produced graphic text animations for videos to effectively illustrate the client's vision

Motion Graphics Artist 07/2012

Photon Creative, San Francisco, CA

- Under a demanding schedule, employed various techniques such as rotoscoping, masking and keying to clean up greenscreen footage

Assistant Video Editor 02/2012

Greenberg Brand Strategy, Emeryville, CA

- Provided creative support to the main editor by researching pictures and videos in online databases
- Designed motion graphics to enhance the deliverable

Video Editor for FORUM 2012 Event 02/2012

GreenBiz Group, Oakland, CA

- Initially hired as a video editor, went on to work directly with the Executive Producer to execute placards, lower thirds and slideshows

Video Editor & Motion Graphics Artist 12/2011 - 02/2012

Hill&Knowlton, New York, NY and San Francisco, CA

- Created an internal sizzle reel for SanDisk
- The astounding reception of Sandisk's sizzle reel led to the creation of a sizzle reel for Responsys

EDUCATION

The Art Institute of California - San Francisco 09/2011

San Francisco, CA

- Bachelor of Science, Digital Filmmaking & Video Production
- Honors: 3.7 GPA, Dean's List

INTERESTS

- Comic Books - Occasionally filming conventions and interviews
